At the Annual Meeting, USA stockholders will be asked:

(3) To transact such other business as may be properly brought before the meeting and any adjournments or postponements thereof.

#### DATE, TIME AND PLACE OF MEETING

The Annual Meeting will be held on Tuesday, June 4, 2002 at 8:30 a.m., local time, at USA's offices, at 8800 Sunset Boulevard, West Hollywood, California.

#### RECORD DATE; SHARES OUTSTANDING AND ENTITLED TO VOTE

Only holders of record of common stock, Class B common stock and preferred stock at the close of business on April 25, 2002 (the "Record Date") are entitled to notice of, and will be entitled to vote at, the Annual Meeting. Preferred stock is entitled to two votes per share, Class B common stock is entitled to ten votes per share and common stock is entitled to one vote per share on each matter that preferred stock, Class B common stock and common stock vote together as a single class. At the close of business on the Record Date, there were 348,611,228 shares of common stock, 63,033,452 shares of Class B common stock and 13,120,533 shares of preferred stock outstanding and entitled to vote.

#### VOTING AND REVOCATION OF PROXIES

The proxy conferred by the proxy card accompanying this Proxy Statement is solicited on behalf of the Board of Directors of USA for use at the Annual Meeting. Stockholders of record may vote their shares of USA common stock, Class B common stock or preferred stock in any of four ways:

- Submitting a Proxy by Mail. If you choose to submit your proxy by mail, simply mark your proxy, date and sign it, and return it in the postage-paid envelope provided.
- Submitting a Proxy by Telephone. Submit a proxy for your shares by telephone proxy by using the toll-free telephone number provided on your proxy card. Telephone proxy voting is available 24 hours a day.
- Submitting a Proxy by Internet. Submit your proxy via the internet. The web site for internet proxy voting is on your proxy card, and internet proxy voting is also available 24 hours a day.
- Voting in Person. Vote by appearing and voting in person at the Annual Meeting.

Street name holders may submit a proxy by telephone or the internet if their bank or broker makes those methods available, in which case the bank or broker will enclose the instructions with this proxy statement. If you submit a proxy by telephone or via the internet you should not return your proxy card. Instructions on how to submit a proxy by telephone or via the internet are located on the proxy card enclosed with this proxy statement.

All proxies properly submitted, and that are not revoked, will be voted at the Annual Meeting in accordance with the instructions indicated thereon. If no instructions are indicated thereon, such proxies will be voted FOR each of the proposals described in this Proxy Statement.

A stockholder who has given a proxy may revoke it at any time before it is exercised at the Annual Meeting by (1) delivering to The Bank of New York a written notice, bearing a date later than the proxy, stating that the proxy is revoked, (2) submitting a later-dated proxy relating to the same shares by mail, telephone or the internet prior to the vote at the Annual Meeting, or (3) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not, by itself, revoke a proxy). You should send any written notice or new proxy card to USA c/o The Bank of New York at the following address: USA Networks, Inc., P.O. Box 11001, New York, New York 10203-0001 or follow the instructions provided on your proxy card to submit a proxy by telephone or via the internet. You may request a new proxy card by calling our proxy solicitor, MacKenzie Partners, Inc., at 1-800-322-2885 (toll-free).

If you hold your shares through a bank or broker, follow the voting instructions on the form you receive from your bank or broker.

YOUR VOTE IS IMPORTANT. WE URGE YOU TO SUBMIT YOUR PROXY BY TELEPHONE, INTERNET OR BY SIGNING AND RETURNING THE ACCOMPANYING PROXY CARD WHETHER OR NOT YOU PLAN TO ATTEND THE ANNUAL MEETING.

The Board of Directors of USA does not presently intend to bring any business before the Annual Meeting other than the proposals discussed in this Proxy Statement and specified in the Notice of the Annual Meeting. So far as is known to the USA Board, no other matters are to be brought before the Annual Meeting. If any other business properly comes before the Annual Meeting, however, it is intended that proxies, in the form enclosed, will be voted on such matters in accordance with the judgment of the persons voting such proxies.

#### VOTE REQUIRED

Election of nine of the director nominees to be elected at the Annual

Meeting requires the affirmative vote of a plurality of the total number of votes cast by the holders of the shares of common stock, Class B common stock and preferred stock voting together as a single class (the "Total Voting Power"). Election of three of the director nominees requires the affirmative vote of a plurality of the total number of votes cast by the holders of the shares of common stock, voting as a separate class.

Approval of the ratification of auditors requires the affirmative vote of the holders of a majority of the Total Voting Power, present in person or represented by proxy at the Annual Meeting and voting on this proposal.

Pursuant to a stockholders agreement, each of Universal Studios, Inc. ("Universal"), a subsidiary of Vivendi Universal S.A. ("Vivendi Universal"), and Liberty Media Corporation ("Liberty") has granted to Mr. Diller an irrevocable proxy over all USA securities owned by Universal, Liberty and their affiliates for all matters except for a fundamental change, which requires the consent of each of Mr. Diller, Universal and Liberty. As a result, Mr. Diller, through shares owned by him as well as those owned by Liberty and Vivendi Universal, generally controls the vote on 13% of the common stock, 100% of the Class B common stock and 67.2% of the combined voting power of the common stock, the Class B common stock and the preferred stock. Thus, regardless of the vote of any other USA stockholder, Mr. Diller has control over the vote on each matter to be considered by stockholders at

2

the Annual Meeting other than the election of the three directors to be elected separately by the holders of the common stock.

#### QUORUM; BROKER NON-VOTES

The presence, either in person or by proxy, of the holders of USA's securities representing a majority of USA's Total Voting Power entitled to vote is necessary to constitute a quorum at the Annual Meeting. Shares of USA common stock, Class B common stock and preferred stock represented by a properly executed proxy will be treated as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining. Abstentions and broker non-votes, although counted for purposes of determining whether there is a quorum at the Annual Meeting, will not be voted. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote the shares on a proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

With respect to the ratification of auditors, abstentions will have the same effect as votes against such proposal and broker non-votes will have no effect on the outcome of such proposal.

If a quorum is not obtained, it is expected that the Annual Meeting will be postponed or adjourned in order to permit additional time for soliciting and obtaining additional proxies or votes, and, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as such proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that theretofore have been effectively revoked or withdrawn.

#### SOLICITATION OF PROXIES AND EXPENSES

USA will bear the cost of the solicitation of proxies from its stockholders. In addition to solicitation by mail, the directors, officers and employees of USA may solicit proxies from stockholders by telephone, letter, facsimile or in person. Following the original mailing of the proxies and other soliciting materials, USA will request brokers, custodians, nominees and other record holders to forward copies of the proxy and other soliciting materials to persons for whom they hold shares of common stock and preferred stock and to request authority for the exercise of proxies. In such cases, USA, upon the request of the record holders, will reimburse such holders for their reasonable expenses.

USA has retained MacKenzie Partners, Inc. to distribute proxy solicitation materials to brokers, banks and other nominees and to assist in the solicitation of proxies from USA stockholders. The fee for such firm's services is estimated not to exceed \$12,500 plus reimbursement for reasonable out-of-pocket costs and expenses in connection therewith.

#### ITEM 1 ELECTION OF DIRECTORS AND MANAGEMENT INFORMATION

##### INFORMATION CONCERNING NOMINEES

At the upcoming Annual Meeting, a board of 12 directors will be elected to hold office until the next Annual Meeting of Stockholders and until their successors are elected and qualified. The Board of USA has designated Messrs. Although management does not anticipate that any of the persons named below will be unable or unwilling to stand for election, in the event of such an occurrence, proxies may be voted for a substitute designated by the Board. OPTION GRANTS

The following table presents information with respect to options to purchase USA's common stock granted to the Named Executive Officers during the year ended December 31, 2001. The grants were made under the 2000 Stock and Annual Incentive Plan ("2000 Incentive Plan").

The 2000 Incentive Plan is administered by the Compensation/Benefits Committee and the Performance-Based Compensation Committee, which have the sole discretion to determine the selected officers, employees and consultants to whom incentive or non-qualified options, SARs, restricted stock and performance units may be granted. As to these awards, the Compensation/Benefits Committee and the Performance-Based Compensation Committee also have the sole discretion to determine the number, type, exercise price, vesting schedule and other terms, conditions and restrictions of the grants. The Compensation/Benefits Committee and the Performance-Based Compensation Committee also

15

retain discretion, subject to plan limits, to modify the terms of outstanding options and to reprice such options. The exercise price of an incentive stock option granted under the 2000 Incentive Plan must be at least 100% of the fair market value of USA's common stock on the date of grant. In addition, options granted under the 2000 Incentive Plan terminate ten years from the date of grant. To date, only non-qualified stock options have been granted under the 2000 Incentive Plan.

(1) Options to purchase USA stock granted on April 25, 2001, become exercisable in installments with 25% vesting on December 31, 2001, and 12.5% vesting on each 6 month anniversary thereof. Options to purchase USA stock granted during December 2001 generally become exercisable in four equal annual installments commencing on the first anniversary of the grant date. All of these options expire ten years from the date of grant.

(2) These amounts represent assumed rates of appreciation only, and also assume that all of the options vest and become exercisable, and that they are held in each case for the full 10-year term. Actual gains, if any, on stock option exercises are dependent on the future performance of the common stock as well as on the option holders' continued employment through the vesting period and other contractual provisions. Potential value is reported net of the option exercise price, but before taxes associated with exercise. The amounts reflected in this table may not be achieved.

#### COMPENSATION OF OUTSIDE DIRECTORS

Each director of USA who is not an employee of USA or any of its subsidiaries receives an annual retainer of \$30,000 per year and the chairperson of each standing committee receives an annual retainer of \$2,500 per year. USA also pays each of these directors \$1,000 for each USA or USANi LLC Board meeting and each USA or USANi LLC Board committee meeting attended, plus reimbursement for all reasonable expenses incurred by a director as a result of attendance at any of these meetings. For the year ended December 31, 2001, Messrs. Bennett, Bronfman and Malone waived their rights to receive the annual retainer and attendance fees.

During 2001, the USA Directors' Stock Option Plan was amended to provide that directors who are not employees of USA or any of its subsidiaries receive a grant of options to purchase 15,000 shares of USA's common stock upon initial election to office and thereafter receive a grant of options to purchase 10,000 shares of USA's common stock annually on the date of USA's annual meeting of stockholders at which the director is re-elected. The exercise price per share of USA's common stock subject to the options is the fair market value of USA's common stock on the date of grant, which is defined as the mean of the high and low sale price on the date on any stock exchange on which the

17

common stock is listed or as reported by NASDAQ or, in the event that the common stock is not so listed or reported, as determined by an investment banking firm selected by the Compensation/Benefits Committee. The options vest in three equal annual installments commencing on the first anniversary of the grant date. The options expire ten years from the date of grant. For the year ended December 31, 2001, Messrs. Bennett, Bronfman and Malone waived their rights to receive such option grants.

Under USA's Deferred Compensation Plan for Non-Employee Directors, non-employee directors may defer all or a portion of their annual retainer fees. Eligible directors who defer their directors' fees can elect to have such deferred fees applied to the purchase of share units, representing the number of share of USA common stock that could have been purchased on the relevant date, or credited to a cash fund. If any dividends are paid on USA common stock, dividend equivalents will be credited on the share units. The cash fund will be credited with deemed interest at an annual rate equal to the weighted average prime lending rate of JP Morgan Chase Bank. Upon termination, a director will receive (1) with respect to share units, such number of shares of USA common stock as the share units represent; and (2) with respect to the cash fund, a cash payment. The payments made upon termination will be either in a lump sum or in installments, as previously elected by the eligible director at the time of the related deferral election.

#### EQUITY COMPENSATION AGREEMENT; EMPLOYMENT AGREEMENTS

MR. DILLER. Under the Equity and Bonus Compensation Agreement dated August 24, 1995, USA issued and sold to Mr. Diller 883,976 shares of USA's common stock at \$5.65625 per share in cash (the "Initial Diller Shares") and an additional 883,976 shares of common stock for the same per share price (the

"Additional Diller Shares") payable by means of a cash payment of \$2,210 and an interest-free, secured, non-recourse promissory note in the amount of \$4,997,779. These amounts have been adjusted as appropriate to reflect the two two-for-one stock splits to holders of record as of the close of business on March 12, 1998 and February 10, 2000, respectively. The promissory note is secured by the Additional Diller Shares and by that portion of the Initial Diller Shares having a fair market value on the purchase date of 20% of the principal amount of the promissory note.

Mr. Diller's Equity and Bonus Compensation Agreement with USA also provides for a gross-up payment to be made to Mr. Diller, if necessary, to eliminate the effect of the imposition of the excise tax under Section 4999 of the Internal Revenue Code upon payments made to Mr. Diller and imposition of income and excise taxes on the gross-up payment.

Mr. Diller was also granted a bonus arrangement, contractually independent from the promissory note, under which he received a bonus payment of approximately \$2.5 million on August 24, 1996, and was to receive a further such bonus payment on August 24, 1997, which was deferred. The deferred amount accrues interest at a rate of 6% per annum. Mr. Diller also received \$966,263 for payment of taxes by Mr. Diller due to the compensation expense which resulted from the difference in the per share fair market value of USA's common stock and the per share purchase price of the Initial Diller Shares and Additional Diller Shares.

MR. KHOSROWSHAHI. On July 24, 2000 (the "Effective Date"), USA and Mr. Khosrowshahi entered into an amended and restated employment agreement for a term continuing until March 3, 2003 and providing for an annual base salary of \$450,000 per year. Mr. Khosrowshahi is also eligible to receive an annual discretionary bonus.

Mr. Khosrowshahi's employment agreement provides for a grant of options ("USA Options") to purchase 300,000 shares of USA's common stock. Mr. Khosrowshahi's options become exercisable in four equal installments, with 25% vesting on July 24, 2001 and an additional 25% vesting on each of the next three anniversaries of that date. Upon a change of control of USA, 100% of Mr. Khosrowshahi's options become vested and exercisable. Upon termination of Mr. Khosrowshahi's employment by USA for any reason other than death, disability or cause, or if Mr. Khosrowshahi

18

terminates his employment for good reason, USA is required to pay Mr. Khosrowshahi his base salary through the term of his agreement over the course of the then remaining term, subject to mitigation by Mr. Khosrowshahi. In the event of a termination for any reason other than death, disability or cause or if Mr. Khosrowshahi terminates his employment for good reason, Mr. Khosrowshahi's USA Options and all other options ("Prior Options") held by him prior to the Effective Date will immediately vest and they shall remain outstanding for the earlier of one year from the date of termination and the end of the term of such options. In addition, if on or prior to December 3, 2002, USA has not offered Mr. Khosrowshahi an extension of term until July 25, 2004, the USA Options, other than those to vest on July 24, 2004, shall immediately vest and they and any then outstanding Prior Options shall remain outstanding until March 3, 2004.

MR. GENACHOWSKI. On August 9, 2000, USA and Mr. Genachowski entered into an employment agreement for a term continuing until September 30, 2002 and providing for an annual base salary of \$400,000 per year. Mr. Genachowski is also eligible to receive an annual discretionary bonus. Under the agreement, Mr. Genachowski is entitled to receive an annual housing allowance, plus tax gross-up for such allowance, not to exceed an aggregate of \$100,000.

Mr. Genachowski's employment agreement provides for a grant of options to purchase 200,000 shares of USA's common stock. Mr. Genachowski's options become exercisable in four equal installments, with 25% vesting on August 9, 2001 and an additional 25% vesting on each of the next three anniversaries of that date. Upon a change of control of USA, 100% of Mr. Genachowski's options become vested and exercisable. Upon termination of Mr. Genachowski's employment by USA for any reason other than death, disability or cause, or if Mr. Genachowski terminates his employment for good reason, USA is required to pay Mr. Genachowski his base salary through the term of his agreement over the course of the then remaining term and continue the housing allowance for the remainder of the term, subject, in each case, to mitigation by Mr. Genachowski. In the event of a termination for any reason other than cause or if Mr. Genachowski terminates his employment for good reason, Mr. Genachowski's options that would vest in the 12 months following such termination will vest immediately and remain exercisable for one year from the date of such termination.

MR. SILECK. On October 12, 1999, USA and Mr. Sileck entered into a two-year employment agreement, providing for an annual base salary of \$400,000 per year. Mr. Sileck is also eligible to receive an annual discretionary bonus. Mr. Sileck's employment with USA terminated on January 31, 2002.

Mr. Sileck's employment agreement provides for a grant of options to purchase 75,000 shares of USA's common stock, as adjusted for USA's two-for-one stock split to holders of record as of the close of business on February 10, 2000. Mr. Sileck's options became exercisable with respect to 25% of the total shares on October 12, 2000, with an additional 25% vesting on each of the next three anniversaries of that date. Upon a change of control of USA, 100% of Mr. Sileck's options become vested and exercisable. Mr. Sileck's options expire

upon the earlier to occur of 10 years from the date of grant or 90 days following the termination of his employment for any reason. In the event that Mr. Sileck's employment is terminated by USA for any reason other than cause, death or disability, USA is required to pay Mr. Sileck's base salary through the end of the term of his agreement, subject to mitigation by Mr. Sileck.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Board of Directors has a Compensation/Benefits Committee, which in fiscal year 2001 was comprised of Messrs. Donald Keough and William Savoy and Ms. Anne M. Busquet, and a Performance-Based Compensation Committee, which in fiscal year 2001 was comprised of Mr. Savoy and Ms. Busquet. None of the members of these Committees is or was in the past an officer or employee of USA or any of its subsidiaries. Mr. Keough is Chairman of the Board of Allen & Company incorporated. From time to time, USA has retained the services of Allen & Company Incorporated, a New York investment banking firm.

REPORT ON EXECUTIVE COMPENSATION

The Compensation/Benefits Committee of the Board of Directors and the Performance-Based Compensation Committee (collectively, the "Committee") furnished the following joint report that provides an overview of the Company's compensation philosophy and executive compensation programs for the 2001 fiscal year.

COMPENSATION PHILOSOPHY

The Company's executive compensation program is philosophically designed to reward exceptional performance and to align the financial interests of the Company's senior executives with those of the equity owners of the Company. To achieve this end, the Committee has developed and implemented a compensation program designed to attract, retain and incentivize highly skilled executives with the business experience and acumen necessary for achievement of the Company's long-term business objectives.

To implement this philosophy in 2001, the Committee adopted an incentive compensation program (the "2001 Program") intended to form the basis for determining both short-term and long-term incentive compensation for USA employees, including executive officers. The 2001 Program contains objective standards designed to provide strong performance incentives for employees. Under the 2001 Program, employees receive a greater portion of their annual bonuses in stock options as opposed to cash, thus tying together even more closely the interests of employees and shareholders while also serving as an important retention mechanism. The 2001 Program also provides for grants of restricted stock to reward truly exceptional performance. The components of the program are discussed below. The Committee and management are constantly re-evaluating the Company's executive compensation program. The 2001 Program reflected changes from prior years' programs, and future years may see additional changes.

The compensation of the Company's Chief Executive Officer and the four other most highly compensated executive officers is governed in part by the terms of certain agreements which are described under "Executive Compensation-Equity Compensation Agreement; Employment Agreements" herein.

#### BASE SALARY

The base salaries paid to the Company's executive officers are based upon recommendations of senior management, and require approval of the Committee. Management and the Committee take into account a variety of factors in determining base salary, including (i) competitive salaries for comparable officers at comparable companies, (ii) individual performance and an assessment of the value of the individual's services to USA, (iii) the fairness of individual executive officers' salaries relative to their responsibilities, (iv) the salaries of other executive officers, and (v) USA's financial performance. At different times, depending upon prevailing circumstances, the Committee gives these criteria varying degrees of weight. Messrs. Khosrowshahi, Genachowski and Sileck were paid base salary

21

in accordance with their respective employment agreements. The salaries for the Company's executive officers were not changed in 2001.

#### ANNUAL BONUS

Pursuant to the 2001 Program, the targeted amount of cash bonuses was reduced from the prior year by one-half and additional stock options were issued in lieu of that portion of the cash bonus target. Under the program, the Committee established performance targets for each of the Company's divisions and subsidiaries based upon the achievement of a specified level of EBITDA (the primary metric), revenue and free cash flow. Under the program, an initial cash bonus pool was established, with final payouts to be determined based on a comparison of actual results to the targeted amounts. Under the 2001 Program, no bonus would be paid if results were below minimum thresholds established for the 2001 Program and bonuses could exceed the targeted amount for extraordinary performance beyond the established targets. Divisions and subsidiaries generally did not reach the 2001 targets; those that did received bonuses pursuant to the 2001 Program. The Committee is responsible for determining the CEO's bonus and the CEO makes recommendations to the Committee regarding allocation of the bonus pool to the four other named executive officers. Because the 2001 targets generally were not met, no annual cash bonuses were paid to executive officers for 2001.

#### STOCK BASED COMPENSATION

The Committee believes that its stock option program appropriately links executive interest to stockholder value. As a result of the 2001 Program, stock option based compensation was comprised of two portions, one for the portion that would be granted as a result of reducing the annual cash bonus pool (the "special options") and the other consisting of the Company's traditional stock option grant. Special options were granted in 2001 to a broad-based pool group of employees, including executive officers. The terms of the special options provide for vesting of 25% of the options on December 31, 2001 and an additional 12.5% vesting on each six-month anniversary of that date; provided that upon termination of employment by the Company, options that would have vested over the succeeding 18 months would vest upon termination of employment and be exercisable for a period of 90 days.

The Company also granted options at year-end. On an overall basis, the Company granted significantly fewer of these traditional annual options during 2001 than in past years. The options were granted on a discretionary, rather than a formulaic basis. With respect to the options granted, the number granted to executive officers, including the named executive officers, was proposed by senior management and reviewed with and approved by the Committee. The factors that influenced decisions with respect to these option grants included individual performance, an assessment of the value of the individual's services to USA, the awards given to other executives and the desire to keep the Company's overall compensation competitive. Such stock options provide incentive for the creation of shareholder value of the long term since the full benefit of the compensation package cannot be realized unless the Company's common stock appreciates during the term of the option. All grants are reviewed and approved by the Committee and all year-end grants vest over a four-year period.

The Committee did not award any restricted stock to executive officers during 2001.

#### TAX MATTERS

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid in any fiscal year to a corporation's chief executive officer and four other most highly compensated executive officers as of the end of any fiscal year. However, the statute exempts qualifying performance-based compensation from the deduction limit if certain requirements are met. The Company has structured certain of its compensation policies to comply with Section 162(m), including submitting certain matters to the Performance-Based

22

Compensation Committee. Stock based compensation under the Company's 2000 Stock

and Incentive Plan are also structured to comply with Section 162(m).

The Board, the Compensation/Benefits Committee and the Performance-Based Compensation Committee reserve the authority to award non-deductible compensation in appropriate circumstances. In addition, it is possible that some compensation paid pursuant to certain awards that have already been granted, including options granted by a company that was subsequently acquired by USA, may be nondeductible.

#### COMPENSATION OF CHIEF EXECUTIVE OFFICER FOR THE FISCAL YEAR

Effective September 25, 1998, the Committee authorized the payment to Mr. Diller of an annual base salary of \$500,000. Prior to such time, Mr. Diller had not received a salary from the Company. Mr. Diller's base salary for fiscal year 2001 remained unchanged and, like the period 1998-2000, Mr. Diller did not receive additional option grants in 2001. Because the targets under the 2001 Program generally were not met, Mr. Diller and the Company's other executive officers did not receive cash bonuses for 2001. The Committee believes Mr. Diller's compensation is appropriate. Mr. Diller holds a very significant equity stake in the Company and, to the extent his performance as CEO translates into an increase in the value of the Company's stock, all stockholders, including Mr. Diller, share the benefit. The Committee may, in the future, elect to change base salary, bonus and/or grant additional options to Mr. Diller.

#### SUMMARY

The Committee believes that the Company's executive compensation program must continually provide executives with a strong incentive to focus on and achieve the Company's business objectives. By assuring that executives are appropriately compensated and therefore motivated, the long-term interests of stockholders will be best served. The actions taken by the Committee in 2001 were consistent with this focus and the principles outlined above.

#### AUDIT COMMITTEE REPORT

The Audit Committee is comprised of three independent directors and operates under a written charter, which has been adopted by the Board of Directors. The Audit Committee charter governs the operations of the Audit Committee and sets forth its responsibilities. Pursuant to its charter, the Committee provides assistance to the Board of Directors in fulfilling its oversight responsibilities to shareholders, potential shareholders, the investment community, and others relating to the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of the Company's financial statements, and the legal compliance and ethics programs as established by management and the Board. The Audit Committee is authorized, among other things, to recommend to the Board of Directors independent certified public accounting firms for selection as auditors of the Company; make recommendations to the Board of Directors on auditing matters; examine and make recommendations

23

to the Board of Directors concerning the scope of audits; and review and approve the terms of transactions between or among the Company and related parties.

In fulfilling its responsibilities, the Audit Committee has reviewed and discussed the audited consolidated financial statements for the Company for the fiscal year ended December 31, 2001 with the Company's management and Ernst & Young LLP ("Ernst & Young"), our independent auditors.

The Audit Committee has discussed with Ernst & Young the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees." In addition, the Committee has received the written disclosures and the letter from Ernst & Young required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees" and has discussed with Ernst & Young its independence from the Company and its management.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the Company for the fiscal year ended December 31, 2001 be included in our Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the Securities and Exchange Commission.

#### CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Mr. Diller, the Chairman of the Board and Chief Executive Officer of USA, is the sole holder of the voting stock of the BDTV Entities. The BDTV Entities hold shares of USA common stock and Class B common stock which have effective voting control of USA with respect to all matters submitted for the vote or consent of stockholders as to which stockholders vote together as a single class.

In 1997, USA and Mr. Diller agreed to defer repayment of an interest-free, secured, non-recourse promissory note in the amount of \$4,997,779 due from Mr. Diller from September 5, 1997 to September 5, 2007. As of December 31, 2001, the promissory note remained outstanding. In 1997, Mr. Diller and USA agreed to defer the payment of a bonus in the amount of \$2.5 million that otherwise was to be paid to Mr. Diller in 1997. The deferred bonus amount accrues interest at a rate of 6% per annum.

24

In 2001, USA and Mr. Diller entered into an agreement with respect to the construction of facilities including a screening room on Mr. Diller's property and the payment of operating expenses relating thereto, to assist Mr. Diller in connection with Company-related activities. Construction costs of approximately \$1.8 million were paid by USA and the agreement provides that under certain circumstances, including upon Mr. Diller's termination of employment by USA or its affiliates, Mr. Diller shall have the option of paying to USA an amount equal to the depreciated book value of the construction costs to acquire the facilities.

In October 2000, a subsidiary of USA and Nineteen Forty CC Inc. ("Nineteen Forty"), a company owned by Mr. Diller, acquired an aircraft for use by Mr. Diller and other directors and executive officers of USA in connection with USA's business. Nineteen Forty, which originally was under contract to purchase the aircraft, assigned to USA its rights under the purchase agreement and, in exchange, USA granted Nineteen Forty an option to acquire all or any portion of the aircraft for its depreciated value of USA's books if USA should ever acquire an ownership interest in the aircraft. The aircraft is currently owned 77.2% by the USA subsidiary and 22.8% by Nineteen Forty. USA's ownership interest remains subject to Nineteen Forty's option.

In 2001, USA, through Home Shopping Network, paid approximately \$295,382 to Diane Von Furstenberg Studio L.P., of which Ms. Von Furstenberg, currently a member of the Board of Directors, is the founder and Chairman. Such payment was made in connection with goods offered for sale on Home Shopping Network's programming services.

During 2001, Ms. Busquet, currently a member of the Board of Directors of USA, provided consulting services to USA for which she received \$20,080 from USA during 2002.

From time to time, USA has retained the services of Allen & Company Incorporated, a New York investment banking firm. Mr. Keough, currently a member of the Board of Directors of USA, is Chairman of Allen & Company.

#### VIVENDI TRANSACTION

On December 17, 2001, USA announced the Vivendi Transaction, pursuant to which USA would contribute USA's Entertainment Group to Vivendi Universal Entertainment LLLP, a joint venture with Vivendi ("VUE"), which joint venture would also hold the film, television and theme park businesses of Universal, a subsidiary of Vivendi. Upon consummation of the Vivendi Transaction, the joint venture will be controlled by Vivendi and its subsidiaries, with the common interests owned 93.06% by Vivendi and its subsidiaries, 5.44% by USA and its subsidiaries and 1.5% by Mr. Diller. The Vivendi Transaction was approved by USA shareholders at the USA special shareholder meeting held April 23, 2002.

In connection with the Vivendi Transaction, USA and its subsidiaries will receive the following at the closing of the transactions: (i) approximately

\$1.62 billion in cash, debt-financed by the joint venture, subject to tax-deferred treatment for a 15-year period; (ii) a \$750 million face value Class A preferred interest in the joint venture, with a 5% annual paid-in-kind dividend and a 20-year term, to be settled in cash at its then face value at maturity; (iii) a \$1.75 billion face value Class B preferred interest in the joint venture, with a 1.4% annual paid-in-kind dividend, a 3.6% annual cash dividend, callable and puttable after 20 years, to be settled by Vivendi at its then face value with a maximum of approximately 43.2 million shares of USA common stock and 13.4 million shares of USA Class B common stock (for a total of 56.6 million USA common shares), provided that Vivendi may substitute cash in lieu of shares of USA common stock (but not USA Class B common stock), at its election; (iv) a 5.44% common interest in VUE, generally callable by Universal after five years and puttable by USA after eight years, which may be settled in either Vivendi stock or cash, at Universal's election; and (v) cancellation of all of Vivendi's USANi LLC interests currently exchangeable into USA common

25

shares, including USANi LLC interests obtained from Liberty in a related transaction (see immediately below).

In the aforementioned related transaction, Liberty will exchange 7,079,726 shares of USANi LLC for shares of USA common stock, and subsequently transfer to Universal 25,000,000 shares of USA common stock, entities holding its remaining 38,694,982 shares of USANi LLC, as well as the assets and liabilities of Liberty Programming France (which consist primarily of 4,921,250 shares of multiThematiques S.A., a French entity), in exchange for 37,386,436 Vivendi ordinary shares.

In addition, USA will issue to Universal ten-year warrants to acquire shares of USA common stock as follows: 24,187,094 shares at \$27.50 per share; 24,187,094 shares at \$32.50 per share; and 12,093,547 shares at \$37.50 per share. Barry Diller, USA's chairman and chief executive officer, will receive a common interest in VUE with a 1.5% profit sharing percentage in return for his agreeing to specified non-competition provisions and agreeing to serve as chairman and chief executive officer of the joint venture. USA and Mr. Diller have agreed that they will not compete with Vivendi's television and filmed entertainment businesses (including the joint venture) for a minimum of 18 months. In February 2002, Mr. Diller assigned to three executive officers of USA the right to receive beneficial interests in a portion of Mr. Diller's common interest in VUE. As a result of the assignments, upon closing of the transactions, Victor Kaufman, vice chairman and a director of USA, will have an economic interest in Mr. Diller's VUE common interests subject to put and call rights with a minimum value of \$15 million, and both of Dara Khosrowshahi, executive vice president and chief financial officer of USA, and Julius Genachowski, executive vice president and general counsel of USA, will have an economic interest in Mr. Diller's VUE common interests subject to put and call rights with a minimum value of \$2.5 million. Mr. Kaufman will serve as special advisor to the chairman and chief executive officer of VUE. In no event will any of the officers receive any amounts referred to above prior to the exercise of the put or call relating to Mr. Diller's common interest, nor will any of these officers have any right to exercise any voting interests relating to Mr. Diller's VUE common interest. As a result of the assignments, upon closing of the transactions, Mr. Diller's economic interest in his VUE common interest will be reduced to 92.7% of the original 1.5% profit sharing percentage, subject to put and call rights at a minimum price of \$255 million.

In connection with the transactions, the following has also been agreed:

- USA and Universal have agreed to terminate the domestic distribution agreement and the international distribution agreement, both described below under "Other Relationships between USA and Universal", upon (1) the completion of the transactions or (2) the termination of the Transaction Agreement;
- USA, Vivendi, Universal, Liberty and Mr. Diller have entered into an Amended and Restated Governance Agreement that will become effective at the closing of the transactions and supersede the existing Governance Agreement among the parties. The Amended and Restated Agreement restricts Vivendi's ability to acquire additional USA equity securities and its ability to transfer USA securities. In addition, this agreement provides for continuing representation on USA's board of directors by Vivendi and Liberty. The agreement also eliminates Vivendi's right to veto specified "fundamental matters," and significantly limits the circumstances in which Liberty and Mr. Diller are entitled to exercise veto rights. Finally, the agreement eliminates Vivendi's preemptive rights with respect to USA common shares, while preserving Liberty's existing preemptive rights. If the transactions are not completed, the existing Governance Agreement will remain in effect.
- Vivendi, Universal, Liberty and Mr. Diller have entered into an Amended and Restated Stockholders Agreement, which will become effective at the closing of the transactions and supersede the existing Stockholders Agreement. Generally, the agreement governs the relationship among the stockholders, including rights of first refusal for sales of USA securities,

26

tag-along rights for sales of USA securities by Liberty and Mr. Diller, restrictions on transfers of USA securities and a standstill by

Mr. Diller with respect to Vivendi. Under this agreement, Mr. Diller generally has voting control over all of the USA shares owned by Universal and Liberty.

Summaries of the agreements relating to the Vivendi Transaction are set forth in, and copies of these agreements have been filed with the Securities and Exchange Commission as Appendices A through F to, USA's Definitive Proxy Statement, dated March 25, 2002, and are available from the Securities and Exchange Commission.

#### UNIVERSAL TRANSACTION

On February 12, 1998, the Company completed the Universal transaction, in which USA acquired USA Networks, a New York partnership (which consisted of USA Network and Sci-Fi Channel cable television networks), and the domestic television production and distribution business ("Studios USA") of Universal from Universal. Universal is controlled by Vivendi Universal. See "Other Relationships between USA and Universal". USA paid Universal approximately \$1.6 billion in cash (\$300 million of which was deferred with interest) and an effective 45.8% interest in USA through shares of common stock, Class B common stock and shares of USANi LLC, a Delaware limited liability company ("USANi LLC"). USA maintains control and management of USANi LLC, and the businesses held by USANi LLC are managed by USA in substantially the same manner as they would be if USA held them directly through wholly owned subsidiaries. The USANi LLC shares are exchangeable for shares of common stock and Class B common stock on a one-for-one basis. In connection with the Vivendi Transaction described above, all shares of USANi LLC held by Universal and Liberty will be exchanged for shares of USA common stock or cancelled. Following the transactions, USANi LLC will be wholly owned by USA and its subsidiaries.

In connection with the Universal transaction, USA, Vivendi Universal (successor to The Seagram Company Ltd.), Universal, Liberty and Mr. Diller entered into various transaction agreements, including the following:

- an investment agreement, pursuant to which, among other things, (1) each of Universal and Liberty were granted a preemptive right, subject to limitations, to maintain their respective percentage ownership interests in USA in connection with future issuances of USA capital stock and (2) with respect to issuances of USA capital stock in specified circumstances, Universal is obligated to maintain the percentage ownership interest in USA that it had prior to the issuances;
- a governance agreement which, among other things, (1) details restrictions on the acquisitions of additional USA securities, on the transfer of USA securities and other conduct restrictions, in each case, applicable to Universal and (2) governs Universal's and Liberty's rights to representation on the USA Board of Directors and Liberty's, Universal's and Mr. Diller's right to approve certain fundamental changes by USA or any USA subsidiary;
- a stockholders agreement which, among other things, governs the ownership, voting, transfer or other disposition of USA securities owned by Universal, Liberty and Mr. Diller and their respective affiliates, and under which Mr. Diller exercises voting control over the equity securities of USA held by these persons and their affiliates; and
- a spinoff agreement which, in the event Mr. Diller no longer serves as Chief Executive Officer of USA or becomes disabled, generally provides for interim arrangements relating to management of USA and efforts to achieve a spinoff or sale of USA's broadcast stations and, in the case of a spinoff, arrangements relating to their respective rights in USA resulting from the spinoff.

27

Summaries of these agreements are set forth in USA's Annual Report on Form 10-K for the year ended December 31, 1998. Furthermore, copies of these agreements have been filed with the Securities and Exchange Commission as Appendices A through D to USA's Definitive Proxy Statement, dated January 12, 1998, and are available from the Securities and Exchange Commission. The parties to these agreements have agreed to amend certain of these agreements, as described above under "Vivendi Transaction", which amendments will become effective upon closing of the Vivendi Transaction.

#### POLYGRAM FILMED ENTERTAINMENT TRANSACTION

In May 1999, USA acquired from an affiliate of Universal certain assets and liabilities relating to the domestic (including Canada) motion picture and home video distribution businesses of PolyGram Filmed Entertainment, Inc., including such businesses as conducted by Gramercy Pictures, Interscope Communications and Propaganda Films. The consideration in the transaction consisted of the assumption by USA of certain liabilities of the acquired businesses. In addition, in connection with the transaction, USA and Universal entered into various related agreements, including:

- a domestic distribution agreement relating to certain PolyGram films, pursuant to which USA has the exclusive right to distribute in the United States and Canada these films in theatres, on television and on video for a fee, which was approximately \$5.7 million for the year ended December 31, 2001;

- a \$200 million interest-bearing promissory note, pursuant to which USA loaned to Universal the face amount of the note, which is a recourse note and is payable out of the revenues otherwise due Universal under the distribution agreement, \$39.3 million of which was outstanding at December 31, 2001 and the remaining outstanding amount of which will be repaid at the time of consummation of the Vivendi Transaction; and
- other ancillary agreements, relating to videogram fulfillment, music administration and transitional services, pursuant to which USA incurred fees to Universal of approximately \$5.6 million for the year ended December 31, 2001.

USA believes that the terms of the PolyGram transaction are at least as favorable to USA as the terms that would have been obtained from an unrelated third party.

#### OTHER RELATIONSHIPS BETWEEN USA AND UNIVERSAL

Under the Universal transaction, USA and some of its subsidiaries entered into business agreements with Universal and some of its subsidiaries (some of which will be terminated upon closing of the Vivendi Transaction, as described above) relating to, among other things: (1) the domestic distribution by USA of Universal-produced television programming and Universal's library of television programming for which USA received from Universal a fee of \$4.1 million for the year ended December 31, 2001; (2) the international distribution by Universal of television programming produced by Studios USA for which USA paid Universal a fee of \$13.6 million for the year ended December 31, 2001; (3) long-term arrangements relating to the use by Studios USA of Universal's production facilities in Los Angeles and Orlando, Florida, for which Universal charged USA \$7.1 million for the year ended December 31, 2001, of which \$5.7 was capitalized to production costs; and (4) a joint venture relating to the development of international general entertainment television channels, described below.

As part of the Universal transaction, Universal and USA agreed to form a 50-50 joint venture to be managed by Universal which would own, operate and exploit the international development of USA Network, Sci-Fi Channel and Universal's action/adventure channel, "13th Street". USA elected to have Universal buy out its 50% interest in this venture. In connection with the settlement of its interest in the venture, USA received \$24 million from Universal during 2001.

28

Universal currently holds a substantial equity interest in USA and USANi LLC. In December 2000, Vivendi S.A., The Seagram Company Ltd. and Canal Plus combined to form a new company, named Vivendi Universal S.A. Universal was a subsidiary of Seagram and is now a subsidiary of Vivendi Universal. During 2001, Messrs. Bronfman, Germond, Lescure and Messier were members of the Boards of Directors of USA and USANi LLC and held director and executive positions with Vivendi Universal and its affiliates. These individuals were elected to the Boards of Directors of USA and USANi LLC under the transaction agreements relating to the Universal transaction. Other than in their capacities as stockholders and officers of Vivendi Universal or Universal, and as directors and stockholders of USA and USANi LLC, these individuals do not have any direct or indirect interest in the Universal-USA agreements.

USA and USANi LLC believe that their business agreements with Universal entered into as part of these transactions are all on terms at least as favorable to USA and USANi LLC as terms that could have been obtained from an independent third party.

In the ordinary course of business, USA and USANi LLC may determine to enter into other agreements with Vivendi Universal and its affiliates.

#### RELATIONSHIP BETWEEN USA AND LIBERTY

Under the agreements relating to the Universal transaction, two designees of Liberty, Messrs. Malone and Bennett, are members of the USA Board of Directors. Liberty holds a substantial equity interest in USA and USANi LLC, and Liberty is a party to the Universal transaction agreements filed as exhibits to USA's publicly filed reports. As part of the Vivendi Transaction described above, Liberty will exchange certain of its shares of USANi LLC for shares of USA common stock and transfer the balance of those shares to Vivendi. Upon consummation of the Vivendi Transaction, pursuant to the terms and subject to the conditions of the Amended and Restated Governance Agreement, Liberty will continue to be entitled to designate two members for election to USA's board of directors.

During April 1996, Home Shopping Network sold a majority of its interest in HSN Direct Joint Venture, its infomercial operation, for \$5.9 million to entities controlled by Flextech P.L.C., a company controlled by Liberty. In each of February 1998, 1999, 2000 and 2001 Flextech paid Home Shopping Network a \$250,000 installment of the purchase price. Home Shopping Network retains a 15% interest in the venture and a related corporation.

During 1996, Home Shopping Network, along with Jupiter Programming Company, formed Shop Channel, a television shopping venture based in Tokyo. Liberty Media International, Inc., a subsidiary of Liberty, owns a 50% interest in Jupiter, the 70% shareholder in the venture. Home Shopping Network owns a 30% interest in Shop Channel. During 1999, Home Shopping Network loaned \$2.5 million to Shop Channel, of which \$1.4 million was outstanding at December 31, 2001. In

addition, Home Shopping Network sold inventory and provided services in the amount of \$579,000 to Shop Channel during 2001.

USA and USANi LLC believe that their business agreements with Liberty have been negotiated on an arm's-length basis and contain terms at least as favorable to USA and USANi LLC as those that could be obtained from an unaffiliated third party.

In the ordinary course of business, and otherwise from time to time, USA and USANi LLC may determine to enter into other agreements with Liberty and its affiliates.

#### USANI LLC DISTRIBUTIONS

Under the USANi LLC Operating Agreement, USANi LLC is obligated to make a distribution to each of the LLC members in an amount equal to each member's share of USANi LLC's taxable

29

income at a specified tax rate. The amount for 2001 is \$153.5 million and was paid on February 28, 2002. In March 2000, the Company made a mandatory tax distribution payment to Universal and Liberty in the amount of \$68.1 million related to the year ended December 31, 1999. The amount for the year ended December 31, 1998 was \$28.8 million and it was paid in March 1999.

#### RELATIONSHIP WITH MICROSOFT

**EXPEDIA TRANSACTION.** On February 4, 2002, USA completed its acquisition of a controlling interest in Expedia, Inc. In connection with the Expedia transaction, Microsoft agreed to vote the Expedia shares it beneficially owned or had the right to vote in favor of the transaction and granted USA an irrevocable proxy to vote its Expedia shares in this manner. Microsoft also agreed to elect to exchange all of its shares of Expedia common stock for Expedia Class B common stock, which were then exchanged for USA securities. Also in connection with the transactions, USA agreed to grant to Microsoft customary registration rights, including the right to underwritten offerings, relating to USA securities owned by Microsoft following completion of the transactions. As part of the registration rights, USA agreed to file a registration statement on Form S-3 with respect to Microsoft's USA securities and to use its reasonable best efforts to make such registration statement effective as promptly as practicable following the completion of the transactions. Microsoft's registration rights relating to its USA securities are set forth in the voting and election agreement between USA and Microsoft. The voting and election agreement is attached as an exhibit to USA's registration statement on Form S-4 (File No. 333-68120) and is available from the Securities and Exchange Commission. As a result of the Expedia transaction, Microsoft holds approximately 5.8% of USA's outstanding common stock, approximately 97.6% of USA's outstanding preferred stock and approximately 5.3% of the vote represented by all outstanding voting securities.

**OTHER AGREEMENTS.** USA and its subsidiaries have entered into a series of commercial agreements with Microsoft generally relating to media time, the adoption by USA and its subsidiaries of Microsoft technology and functionality, branding and advertising, and the provision of ticketing, city guide and personals content and functionality to the Microsoft Network. USA believes that these transactions result in terms to USA and its subsidiaries that are at least as favorable as those that could be obtained from a third party.

**MICROSOFT/EXPEDIA AGREEMENTS.** In addition, prior to consummation of the Expedia transaction, Expedia and Microsoft amended the various agreements that the parties had previously put in place. These agreements relate to (i) the provision by Microsoft of certain administrative and operational services to Expedia, (ii) carriage and cross-promotion providing for co-branding on certain Microsoft sites, (iii) hosting services provided by Microsoft for Expedia's websites, (iv) licensing by Microsoft of certain intellectual property to Expedia, (v) Expedia's worldwide rights to use certain of Microsoft's retail products and internal tools, (vi) Microsoft's agreement to develop, maintain, host and serve maps on the Expedia websites and (vii) an assignment by Microsoft of patent applications to Expedia and Expedia's agreement to share royalties in certain circumstances.
